I will either drive the car there, or you will find the car parked on the street, in front of the long timber paling fence, at this address. When you return, please park the car where you found it or as close as possible to where it was parked. Please do not park the car inside the parking area of the church hall next door. (I do not live at this address but will meet you there for the handover.) Thank you!

This trip starts in 7 days.
